**Board Reports**

**President Report-** No report

**Finance-** Chris reviewed the reports. We are financially sound. We have \$10,719.69 in checking and \$23,573.38 in savings.

**Regional Coordinator-** Mike does not have much to report on. He said the Association committee met and there will be some decisions coming down soon.

**Youth-** Chris mentioned that at the national level, things have been crazy. They let the national youth committee go (fired) and are suing them. At this point, the national office has given the direction that each association is to carry on operations as normal and nothing changes as meets go for track and cross country.

**Membership-** Membership numbers are continuing to grow. We have high numbers and a lot of that is attributed to national track meet being close to home.

**Sports Medicine-** No report

**Substance Abuse-** no report

**Sanctions-** Kim has been introduced as the new association sanction chair, as appointed by Shane. Kim mentioned that we will need to review our sanction fees that we charge as an association. We have lost some \$3000 on some of the sanctions not being charged the correct amount. Mike recommended we look at this at the annual meeting in September.

**Old Business**

None

**New Business**

**none**

Next meeting will be September 18 at 1pm. Mike Hinz will find a location in Pullman, as the group agreed to have the meeting in Pullman.

Meeting adjourned at 4:30PM

Respectfully Submitted- Chris Lowe, Secretary
